Maternity & Immunisation Subsidy Updates
(Effective 1 July 2018)

These Release Notes contain important information for all Medtech32 users. Please ensure that they are circulated amongst all your staff. We suggest that they are filed safely for future reference.

Immunisation Subsidy Updates

Introduction

This update increases all Immunisation administration subsidies from \$23.59 to \$24.15 (including GST).

Immunisation Subsidy Updates

The Ministry of Health has advised that immunisation administration subsidies for childhood, influenza & all the other funded immunisations will increase from \$23.59 to \$24.15, effective from 1 July 2018.

This update will set the subsidy for all subsidised vaccines to \$24.15 (including GST), with an effective date of 1 July 2018.

Maternity Subsidy Updates

Maternity Subsidy Updates

The Ministry of Health has advised Medtech that there is an 8.9 percent increase in fees for modules of care provided by Lead Maternity Carers (LMC), this fee increase is effective from 1st July 2018.

The subsidy increase has only occurred for the 28 services provided by Lead Maternity Carers (LMC). The subsidies for Maternity services provided by Non-Lead Maternity Carers, General Practitioners, Obstetricians and other providers have not changed.

The Ministry expects to action the fee increases in their payments system on 1 July 2018. Claims made from that day on will automatically be paid the increased fees.

Further details can be found at:

<http://www.health.govt.nz/publication/section-88-primary-maternity-services-notice-2007>

<https://www.health.govt.nz/system/files/documents/publications/primary-maternity-services-amendment-notice-2018.pdf>

This Medtech32 update will set the subsidies for Maternity Services to the increased amounts with an effective date of 1 July 2018.

The following subsidies have increased.
